- Other Activities
 - Keep Everyday Journal in English (April 2014 - Present)
 - [Sunrise Toastmasters Club](#)(February 2017 - March 2018)
 - [Vital Japan](#)(January 2018 - July 2019, October 2022 - February 2023)
 - Self Learning and Training of English Language
 - Participation Ruby-Related Tech Conferences

Goals of This Series

- **To know how deep English Language is**
 - Not simply a communication tool
- **To know your own language by knowing another**
 - "He who knows no foreign languages knows nothing of his own." by Johann Wolfgang von Goethe
- **To pursue the essence that does not instantly but work later on**
 - Something which you think is meaningless has something genuine

Agenda

1. [Various 'English' around the World](#)
2. [British English vs. American English](#)
3. [Summary](#)
4. [References](#)

[illegible]

1. Various 'English' around the World

Present-Day English Can Be Categorised to 5 Genres.

1. Various 'English' around the World

1. English in Natively English-Speaking Countries

British English(British English / Queen's English)

- Anglo Saxon established England and English language who immigrated to Great Britain in A.D. 450
- The name Angle is inscribed in the name of country and language
 - *England* < *Englaland* = Angle's Land
 - *English* < *Englisc* = Angle's Language

1. Various 'English' around the World

1. English in Natively English-Speaking Countries

American English / President's English

- Originates from Middle English in the 17th Century when William Shakespeare and John Milton gained their fame
- Arrived from Britain ~ the coast of the Atlantic to the North American continent
- The politically and linguistically strong movements promoted the distinctive development and evolution after the independence of the United Kingdom in the 18th century

1. Various 'English' around the World

1. English in Natively English-Speaking Countries

Canadian English

- European immigrants began to dwell in the East Canada on the coast of the Atlantic released by Treaty of Paris in 1763
 - The American Revolution from 1775 to 1783 brought a large number of American immigrants
 - The Industry Revolution in the 19th century brought British immigrants
 - The nation consists of immigrants all over the world and is counted as an ethnically diverse state
- The language conflicts between American English as the first comer and British English as the second comer influences linguistic features of Canadian English

1. Various 'English' around the World

1. English in Natively English-Speaking Countries

Australian English / Aussie English

- Originates from the English brought by immigrants from the Southern East Britain
- Basically inherits vocabulary and grammar of British English
 - exc. *inquire* > *enquire*, *program* > *programme*, *labor* > *labour*
- Countless number of slang
 - e.g., *G'day*, *Aussie*, *Brissie*, *Tassie*, *fridge*, *veggies*, *sunnies* etc.

1. Various 'English' around the World

1. English in Natively English-Speaking Countries

New Zealand English / Kiwi English

- The indigenous Maori ceded their dominion to the British government in 1840
 - British people started immigration since then
- Basically inherits vocabulary and grammar of British English
 - Regularisation of irregular inflections caused by **Analogy**
 - e.g., *roofs* > *rooves*, *wharfs* > *wharves*
 - Words whose suffix is *-ize* in American English ends with *-ise* as Australian English
 - e.g., *realise*, *initialise*
- Loan Words from Maori Vocabulary

1. Various 'English' around the World

2. English spoken as the Official or Second Language

Spoken in the countries below which used to be plantations of the British Empire

- India
- Sri Lanka
- Kenia
- Tanzania
- Singapore
- The Philippines
- Hong Kong
- etc.

1. Various 'English' around the World

3. Pidgin English

- Concise English only for the sake of trades and simple communications
- Developed among African countries, South Pacific countries and the regions along the coast of the Caribbean Sea which traded with Britain
- Mixture of English and indigenous languages
- Pidgin is Chinese from of *business*
 - Ambiguous distinction between /p/ and /b/ made /b/ pronounced as /p/
 - The last /s/ dropped

1. Various 'English' around the World

Everi one naim de entitle to all di rights and freedom wey dey for dis small book, no mata di kind language wey person dey speak, di kontri wey one come from, di kind religion wey one de do, di kind ting wey one dey tink, di kind person wey one be, di how dem take born one, di kind place wey one come from, di kind propati wey one get or weda you be man or woman. Dem come talk again say, dem no go look at di way, wey dem dey rule dat kontri or how dem de control di kontri or di kind position of di kontri wey we belong, weda na free kontri, say no be anoda people from anoda kontri de rule there or weda na dem dey rule demself or weda dem get one ogbonke kontri we dey rule dem.

1. Various 'English' around the World

4. Creole English

- Indigenised Pidgin English became the mother tongue
- Spoken in various everyday scenes different from Pidgin English spoken only for the sake of trades and concise communications
- Richer vocabulary and more complicated grammar
 - This change is called **creolization**

1. Various 'English' around the World

5. Ethically Specific English in English-Speaking Countries

- English spoken by **people of colour in America** is a good example
- Developed as a distinctive English because of its large number of population
- Use of basic words
- Specific grammar different from that of the standard English
 - Double Denial(used to express strong affirmation in the standard English)
 - Double Comparison
 - Omission of articles and propositions
